This notice is to inform the public that the South Carolina Department of Health and Environmental Control (Agency) is taking public comments on a Corrective Action Plan (CAP). This CAP addresses the cleanup of soil and groundwater contamination at the facility listed below. The contamination was caused by gasoline products that were released from the underground storage tank system at this facility. Based on current data, the release does not pose a threat to human health or the environment.

FACILITY: Webb's Grocery (former), 6411 Pamplico Highway (S.C. Highway 51),
